## Past Performance

### **USDA Forest Service** **Mezzanine Project, Montrose, CO**

#### **DESCRIPTION:**

Provided and installed a steel mezzanine and lockable steel caged storage units.

### **General Services Administration (GSA)** **Concrete Steps Replacement, Ft Collins, CO**

#### **DESCRIPTION:**

Removed and replaced concrete steps and other miscellaneous concrete work to address hazardous conditions and safety concerns.

### **Federal Aviation Administration (FAA)** **COS ATCT Plumbing Repair Project, Colorado Springs, CO**

#### **DESCRIPTION:**

Removed and replaced the waste lines from the top of the control tower to the bottom due to leakage. Water jetted to clear all the roof drains. Renovated men's and women's restrooms below CAB.

### **Veterans Administration (VA)** **Ft. Logan National Cemetery Foundation Removal Project**

#### **DESCRIPTION:**

Excavated a buried foundation and broke it up to a low point below the head stone marker installation.
